WEDNESDAY	<p>Ext 8/11/23. (IO CP) Self help skills school readiness. Opening and closing lunch boxes and containers</p> <p>Ext 1/11/23 . Creating pasta necklaces Developing our fine motor skills and hand eye co ordination.</p> <p>Ext 1/11/23 Cutting play dough Explore cutting through different textures, developing our fine motor skills</p> <p>Plan: Cian Parnell Individual Observation Plan 2022 Individual Observation Plan Elin Kingston 16 Aug 2022</p> <p>Plan: Investigators Weekly Curriculum Plan 30/10/23-3/11/23 Weekly Curriculum Plan Chantal Vello 23 Oct</p>	<p>Self help skills - Leah R</p> <p>Creating Pasta necklaces - Leah R</p> <p>Cutting play dough - Leah R</p> <p>Story: Happy Wednesday In the Investigators Room 8/10/2023 By Leah Ravi-Pinto 8 Nov</p>	<p>Self help skills - I had prepared an interesting activity for us today three unique lunch boxes to challenge the investigators to blossom their self-help skills. Equipped with an array of lids and zippers, we had a lot of fun trying to figure out how each type opened and closed. We will continue to practice again opening and closing lunch boxes. Make them table top activities Leah R</p> <p>Today we created our own pasta necklaces we enjoyed threading the pasta on to our string as the strong concentration on the children's faces as they threaded each pasta through the string showed their growing skill and engagement Leah R</p> <p>gaining skills on our cutting skills we introduced playdough and scissors to the table today I saw a mix of facial expressions children, were uncertain as they faced the new textural experience. Cutting into the play dough at first then we began to enjoy creating little object with all the cut up little pieces. Leah R</p>	<p>Ext. continue to gain skills - skills by having the lunch accessible for child by activities.</p> <p>Ext. cutting skills cutting d cutting spaghetti</p> <p>Plan: Investigators Weekly Curriculum Plan 4.12.23 to 8.12.2023 Weekly Curriculum Plan Leah Gibbons 23 Nov</p>
