Investigators school readiness feedback and implementation

Community post
Created by Chantal Vella from Investigators - 8 Mar 2023

Greeting Parents.
I have been to visit with the Ellen Stirling Primary School and got to meet the Kindy teachers and got some awesome feedback on our room and our learning and development for our big Kindy children.
The biggest thing to come out of our meeting and what I would like to focus on in the room is :

- * Turn Taking
- * Following rules and instructions.
- * Working on our pre-Literacy skills
- * Extending on developing our fine motor skills...

We lined them up at the back door allowing them to choose their own and attempt to mount the riding bugs themselves. They displayed excitement with big smiles and excitement. Only few needed assistance and were unsure at first but the educators verb encouraged them to push with their feet to make the bugs move along the floor. Making cookies Today we made our very own cookies using round paper cutout and Pom poms stamping them into the paint then onto then onto the paper. Grace role modelled the steps and encouraged them to stamp the choc chips onto the paper cookies. We then sang the Cookie Monster song.</p> <p>Story: Fun Friday in the discoverers By Grace Bullen 29 Sep 2023</p>	<p>5.4 Children begin to understand how symbols and pattern systems work.</p> <p>5.1 Children interact verbally and non-verbally with others for a range of purposes.</p> <p>4.3 Children transfer and adapt what they have learned from one context to another</p> <p>4.2 Children develop a range of skills and processes such as problem solving, inquiry, experimentation, hypothesising, researching and investigating.</p> <p>4.1 Children develop dispositions for learning such as curiosity, cooperation, confidence, creativity, commitment, enthusiasm, persistence, imagination and reflexivity.</p> <p>2.1 Children develop a sense of belonging to groups and communities and an understanding of the reciprocal rights and responsibilities necessary for active community participation.</p>	<p>Ext to 6/10/23 Riding rocking horses Ext to 6/10/23 Sensory ball painting</p> <p>Plan: Weekly Curriculum Plan 02.10.23- 06.10.23 Weekly Curriculum Plan sanjina Harangoe-Auckloo 25 Sep 2023</p>

We then held onto the planes and tried to fly them. Thelma has also pre-made some small airplanes for the children to colour in and use their pincer grip to fly the plane across the room. This activity taught the children about sustainability (using recycled items) , hand aim coordination and discussions on aerodynamics. These planes will be displayed on our wall.</p> <p>Jess.</p> <p>Flower painting</p> <p>This morning the children engaged in some painting using flower. As today we bringing awareness for childhood cancer, children got to use yellow painting 🍌</p> <p>Children was waiting patiently to have their turn then Educator then demonstrated it to the children how to paint using flowers, children then began taking their turns together and carefully dip the flower into the paint, and then press onto the paper. This activity is a fun way to engage the children in fine motor, creative play and colour recognition.</p> <p>Keshia</p> <p>CE - Baking chocolate crackles</p> <p>Today as we are helping to bring more awareness to childhood cancer, the children helped the educators to make chocolate crackles that they then sold in the center's bake sale. the Children got to use the measuring cups to pour the ingredients and then used a large wooden spoon to mix them all together. we discussed the colours of the ingredients and how when we mixed them all together they became sticky. This was a great opportunity for the children to practice developing their gross motor skills using</p>	<p>5.1 Children interact verbally and non verbally with others for a range of purposes.</p> <p>4.4 Children resource their own learning through connecting with people, places, technologies and natural and processed materials.</p> <p>4.1 Children develop dispositions for learning such as curiosity, cooperation, confidence, creativity, commitment, enthusiasm, persistence, imagination and reflexivity.</p> <p>2.3 Children become aware of fairness</p> <p>2.1 Children develop a sense of belonging to groups and communities and an understanding of the reciprocal rights and responsibilities necessary for active community participation.</p> <p>1.4 Children learn to interact in relation to others with care, empathy and respect.</p> <p>1.3 Children develop knowledgeable and confident self identities</p> <p>1.2 Children develop their emerging autonomy, inter-dependence, resilience and sense of agency.</p>	<p>Ext. 06/10/23 watching Maisy goes on a plane story</p> <p>Ext. 06/10/23 Flower petal counting from 1-5</p> <div data-bbox="1034 338 1225 398" style="border: 1px solid #ccc; padding: 5px; margin-top: 10px;"> <p>Plan: Weekly Curriculum Plan 2-6/10/23</p> <p>Weekly Curriculum Plan</p> <p>Mrs Oliver 18 Sep 2023</p> </div> <p>● Comment</p>
