if a child attends more than 3 days a week, they still require a second observation which can be an extension, another area requiring further support as identified on the checklist or a new cycle all together.

**In term 4**

- find the original term 2 checklist and complete the summative column in the same way.
- complete the comment on the last page identifying the progression since term 2 or areas to improve on.
- Again, add a photo and rescen and upload into child's IOP and complete the whole row as you did for term 2. This paper copy will go home with the child at the end of the year with their Christmas gift.

**Things to note:**

- it does not need to be the same educator who does term 2 and term 4 reporting
- pictures of checklists that are uploaded to IOP must be clear
- reports to be NEATLY written and kept safe for term 4

Hi Girls ,

I trust you all had a lovely Christmas and Happy New year.

For Term 1 observation you can start now or next week and it will be Photo observations or you can also use an All about me form .

Full time children attending ( 4-5 days ) will have extensions and part time children don't need extension unless if Goals aren't met.

Please make sure every child has a photo in the photo column.

Please continue to write more in-depth observations and evaluations about the ...

Hi everyone,

We will do a trial for 1 week as from Monday the 11th of December to do open in the Explorers Room for Breakfast 6:30 am to 7:30 am.

Please open door if it gets too busy for open flow indoor /Outdoor play and reminders for Constantly Supervising the children and positioning ourselves in the yard.

The Kindy's will proceed Downstairs at 7 am or when staff Ratio permits.

Please leave the Water Trolleys outside the hallways upstairs as there's limited space inside Explorers Room. ...
