Good morning Nicole,

Thank you so much for inviting Epilepsy WA to present to your staff last night. I have popped the certificates in the post today along with a seizure record sheet that we discussed last night.

In follow up to the training session, please see below links to the videos which you may like to share with your staff.

I have also included the link below to the seizure record sheet that we discussed during training last night which may prove beneficial considering one of the children in your care has multiple seizure presentations.
