

## Infectious disease post on Storypark for families

### Announcement

Created by sanjina Harangee-Auckloo from Coolamon School of Early Learning - 21 Nov

Dear Families

There has been 1 case of Gastro , 1 case of Rhino Virus & 1 case of Conjunctivitis in the Discoverers room.

We will continue to deep clean the service to Minimise the spread of germs.  
Any questions please don't hesitate to chat with us.

Hi Samatha, Please contact the office if you would like to push the start day for Cameron.

 Lauren Grayson (Piper) 21 Nov ⋮

Thankyou for the update Jina. Appreciate you guys and the efforts in minimising the spread as much as you can x

Make that 3 in creators today... :(

 Erin Kingston 19 Oct ⋮

Another case in Inventors  
3 in creators, 2 in Inventors

 Nadia Muuka (Andrew) 25 Oct ⋮

Last Thursday when pick my son he had the symptoms too that's why couldn't bring him in.
