From Bev

Hi everyone!

As the end of 2023 is nearing, I'd like to take the opportunity to congratulate all our hardworking educators on their tremendous efforts and dedication to the company and the children in our care. Our directors have been working tirelessly on the QIP's and would appreciate your continued support in suggestions for areas for improvement as well as with gathering evidence. please support them in their mammoth task!

Active Supervision

As educators, it is our responsibility to the children, families and communities to ensure we provide a safe and comfortable environment for the children.

This not only refers to the physical environment but the supervision of our educators within these spaces. This includes but is not limited to maintaining ratios, placement of educators and distribution of staffing across the service.

Benefits of AUSLAN

As you know, our services have been introducing AUSLAN within our educational program with the help of Sara from SAS.

Primarily, AUSLAN helps support the development of self-esteem and confidence. In addition to this it provides children as young as babies and toddlers a channel for communicating their needs and ideas.

Supporting children with this tool, and embedding it in our everyday routines creates a calmer and more inclusive environment for all the children in our care.

Warren

Thank you to Warren for always being so flexible and accommodating in our OSHC services. He has recently demonstrated increasing initiative in his practices. Good work Warren!

Landsdale

Gabriella

Well done to Gabi for taking on the new room leader role with confidence and determination. She and her team have managed to stay on top of all observations, maintain a beautiful environment and maintain wonderful relationships with our families!

Landsdale OSHC

Olivia

Olivia has recently joined the team at Landsdale OSHC and has quickly become a valued member of the team. She is a willing and active participant in the educational program as well as the routines and transitions of the day. Well done Olivia!

Malvern Springs

Tehlia

Congratulations to Tehlia for creating the most beautiful kindy portfolios for our 2023 graduates! Tehlia has put lots of time and effort into ensuring that the portfolios are full of beautiful samples of children's work as well as fond memories they have created in the service this year. Our families are so lucky to receive these this year!

Warriapendi

MU

Well done to MU! She is a wonderful asset to Warriapendi's team. She is flexible and accommodating to the services needs and is willing to take on any task with enthusiasm and persistence. She asks questions when she is unsure and is adjusting to her new room beautifully! Great job MU!

Landsdale Garden OSHC

Aimee

Thank you to Aimee for her amazing support across all OSHC services. Aimee has a great way of contributing towards the educational program of services and her relationships with the children are commendable. Well done Aimee
