

## PD staff meeting

## PD follow up training

### Coolamon SEL - All Staff

Coolamon School of Early Learning

will be working with us Monday, Tuesday and Friday. I know you will all make her feel welcomed.

Don't forget to dress up on Tuesday for Halloween – Be mindful of your outfits that they are appropriate for work. I can't wait to see them all!

Staff Meeting- 16th November 2023  
Epilepsy training from 6:15pm after the training we will be holding a staff meeting. All permanent staff are required to attend.

Thank you all again for your ongoing dedication to this service, you are all doing an amazing job!

Have a wonderful weekend.

I acknowledge that I have seen and read the information provided.

**Requires your attention**

Erin Kingston to Coolamon SEL - All Staff Fri, Nov 17th, 11:44 am

Hey Everyone,

Follow up to the training session, please see below links to the videos

## Tanda post to encourage educators to come forward with training/PD ideas

### Coolamon SEL - All Staff

Coolamon School of Early Learning

supply a medical certificate if you are off to be paid.

Handovers with families – Please remember to sandwich the Child's day if they haven't had a great day. Parents want to know the good and the bad but be mindful of the language you are using when completing handovers. We will do training around this at our staff meeting on 16th November 2023.

If you would like additional information and training in certain areas please let us know and we can look into training or other forms of professional development.

We would love to see everyone get more inspired using your outdoor environments. Best activity or experience set up will get a prize at the end of the week decided by Laura and Erin.
